YOUR STREET WILL HAVE RESTRICTED TRAVEL TO TRAFFIC, INCLUDING BICYCLES, BETWEEN THE HOURS OF 7:30 AM AND 5:00 PM ON THE DAY INDICATED ON THE REVERSE SIDE OF THIS NOTICE (EXCLUDING WEEKENDS)

2021 Street Resurfacing Project

Ghilotti Bros will be placing an asphalt concrete overlay on your Street, for the Street Resurfacing project for the City of Pleasant Hill.

There will be flagmen and other workers directing traffic to ensure the safe passage of all citizens and for the safety of our workers. Expect some delays, observe lane and street closures and choose alternate routes, if possible. The hours of construction will be from 8:00 AM to 5:00 PM.

Your street will not be closed to local traffic during the street resurfacing process, but delays are to be expected. Emergency vehicles will have access to all streets at all times. Your driveway will be accessible. Streets that are to receive treatment will have “No Parking” signs placed along the street at least 72 hours prior to the work being started. These signs will have specific dates and times that all parking on the street will be restricted. Your Trash will still be picked up on the regular Schedule, please place the cans at the back of the curb by 6:00 AM. Do Not Use Sprinklers on the Morning of the work. **We request that you park your vehicles off the street when work begins. Vehicles left in the street will be towed in order to allow the City to treat the entire pavement surface.**

Please help by following these precautions:

- ***Keep your children and pets away from the street while we are doing these treatments. Several large pieces of equipment are involved.***
- ***Drive slowly. Do not drive on the treatments until the lanes have been reopened to traffic. Obey traffic control signs.***
- ***Warn your children to be careful while riding their bicycles.***
- ***Continue to park your car off the road or cover vehicles if necessary until the initial sweeping is completed.***
- ***Respect Construction Areas and Workers: Do not drive on the treatments, cross over closed lanes to access or exit your driveway.***

We thank you in advance for your patience and cooperation

Please contact Jason Miniello from Ghilotti Bros at (415) 710-1743 if you require assistance with a specific need or have any additional questions or concerns. Also call if there are any concerns during construction so that we may resolve them as quickly as possible.
