ZONING PERMIT ANALYSIS

Application Submittal

Prior to submitting construction plans for a Building Permit, each property owner or representative must obtain written approval from the Community Development Department that the intended use or structure complies with the requirements of the Zoning Ordinance.

In order to make a determination of compliance with the Zoning Ordinance, Community Development Department staff will review the description of your proposal, possibly visit the location in the field, and evaluate the use or structure within the limitations of the particular zoning district in which the site is located.

The following information must be submitted for the Community Development Department staff to complete its analysis of your proposed land use or structure. You may complete this form and submit it at the Community Development Department counter in City Hall, mail or fax it to the address above, *Attention: Community Development Department.*
